Church Messenger
 Volume XXIX, Issue 9

Message for the Month of September 2018

Dearly Beloved in Christ,
 Greetings to all in the precious name of our Lord and Saviour Jesus Christ

Berthold Auerbach, "Music washes away from the soul the dust of everyday life."

As we know that this month first Sunday we are celebrating as Choir Sunday. In today's context Church Choir is the integral part of our Worship. The primary role of the Church Choir is to support the congregation in singing and chants. The purpose of the celebration of Choir Sunday is to think about the importance of singing the worship life of the Church. From the beginning to end, the Bible is full of music and songs. Jubal who was the father of all who play the harp and flute is been mentioned in Gen 4:21, as the first musician. As we turn the pages we find many who follow Jubal's musical footsteps. Moses sang a song of praise after the Exodus event, Deborah sang after the victory over Sisera, King David played the Harp and wrote many of the Psalms, Our Lord Jesus Christ sang a hymn with his disciples at the Last Supper, Paul and Silas sang a hymn of praise to God in Jail and lastly the Book of Revelation tells that there is plenty of singing in the Heaven, as the Heavenly Choir joins in praise the Lord. Every Choir member has a sacred re-

sponsibility. Choristers as Church musician offer God giving talent to faith, it is a part of Christian Stewardship in giving their time and Talents. Choristers must have an attitude of service striving to give their very best to God. For this they need discipline and inward commitment and not just music but primarily to faith. When we sing, we must be careful that we do not pronounce only the words with our tongues but we are proclaiming the Word of God. This Word of God is a transforming agent in our Society; this can be possible only when the people who proclaims the Word of God has been transformed.

Why Should We Sing?
 Singing is the primary responsibility of God's People as He is our Creator.
 We should sing for the glory of the God.
 We should sing for the unity of the Body of Christ.
 We should sing to express our gratitude towards God.
 We should sing together as it gives solace.
 Our Songs conveys a message to all the people of the World about our Lord and Saviour.
 May the Almighty Lord bless us all.

Yours in Christ,
Revd. Christy David Daniel
